Our Commitment to Health and Wellness

A message from the Superintendent

In Chinook's Edge, we know that supporting a healthy environment in our schools will positively impact the achievement and social emotional well-being of our students and staff. The global situation shows us that now, more than ever, our division's focus on wellness will ensure our students remain engaged and ready to learn, even as our circumstances change and evolve.

Our division has a long-held priority of caring relationships at every level. Relationships Matter in Chinook's Edge, and we can draw on that foundation in the coming months to support a sharp focus on our divisional goals that will continue to set our students up for success: Literacy, Academic Excellence, Career Connections, and Social Emotional Well-being.

Online Learning

During the week of January 4—8, all learning will resume online. Teachers have sent home information regarding online learning. It will be a combination of online learning with a paper package for most of our grades and solely online learning for Grade 6 students. We look forward to seeing you in person for in-school learning on January 11.

Winter Safety Warning:

Please remember that with the cooling weather our roads and driveway become slippery. With so many little ones outside in the

morning and the end of the day please make sure you have all your windows clear and free from snow, drive slowly, keep a lookout, and remember our little ones are moving quickly and falls are always a possibility.

Please be advised that there is **NO** playground supervision **before 8:20am or after 3:20pm.** Students are expected to go home after school before going to the playground.
