## Reflecting with Gratitude on an Exceptional Year

A Message from the Superintendent

As the end of this school year draws to a close, the Board of Trustees and Central Office team would like to express their gratitude for the level of success that has been achieved across the division. Everyone in Chinook's Edge has worked to ensure meaningful learning has taken place, knowing it required a significant amount of flexibility and grit throughout the year.

Moving learning forward during the pandemic has required dedication from every corner. We are particularly appreciative of the amazing perseverance shown by our students and their parents. Chinook's Edge has retained positive momentum, with a sharp focus on the social emotional wellbeing of our students. Our staff have worked so hard, often during challenging pauses from in-school learning, to support over 11,000 children and youth.

Thank you to our students and staff for their hard work and dedication, and to our parents and community partners who have engaged in learning alongside us throughout one of the most challenging years in our history. We take tremendous pride in knowing that our extra efforts still made a significant difference in the lives of our students.

Please enjoy a safe and joyful summer.
