

Beacon Hill Parent Advisory Council – Minutes from February 25, 2020

Meeting started at 7:10.

We discussed a family movie night – the February date did not work out. The new date set is set for March 13. Kelly and Marion are going to try to find sponsors for popcorn and water, possibly Servus, Sobey's, No Frills, movie theatre.

Possible choices for the movie are Frozen 2, Toy Story 4 or The Lion King (live action).

We discussed the PAC web page and what it looks like, how we can get more people to check it out. Also discussed getting an email address for PAC so as not to use personal email addresses.

We made more solid plans for volunteer appreciation week with Kelly heading that up. The date is still April 20-24. We want to do morning announcements and have the leadership kids participate by making cookies, banners and possibly pins. We discussed the idea of holding an assembly to recognize the volunteers.

Kids in the Kitchen was discussed and we decided to do another activity in March. We are looking at possibilities for funding such as the Lions Club in Sylvan Lake. We discussed including the wellness kids in this program.

Read-a-thon dates are set for April 1-23 and PAC is going to start looking for sponsors for prizes.

We also discussed making lunch for the teachers and staff for teacher appreciation week. We are going to tie this in with the Kids in the Kitchen activity by having our next class be instructions for how to make soup and corn bread.

Meeting adjourned at 7:56.

Next meeting set for March 17, 2020.
