

Beacon Hill Parent Advisory Council – Minutes from January 22/2020

Meeting commenced at 7:05

Kelly discussed activities that PAC wanted to do for a volunteer appreciation week during April 20-24, 2020. We were told to coordinate everything with Suzanne. Some ideas that were discussed were – bulletin board wall of fame

- Provide some sort of little gift for the volunteers that week
- Utilize the grade 5/6 leadership kids to help

We talked about the “Kids in the Kitchen”

- We discussed the Christmas cookie exchange, the first Kids in the Kitchen activity; this activity went really well, had some great feedback from the leadership kids
- We talked about what kids we could target going forward and expanding the program to include cooking lessons – tentative time to do this is March

We discussed the Read-a-thon, specifically what role PAC would play. Decided it would look very similar to last year with a few changes. PAC discussed possibly changing up the prizes and making more grade/age specific choices in order to engage the older grades more.

Discussed the date for the year-end PAC BBQ and set two dates so as to try to avoid having to move it inside due to inclement weather like last year.

We also proposed a tentative date for a family movie night, also to be coordinated with Suzanne, the date being February 7.

Mr. Sanche talked about the building of a storage garage and where the funds came from - \$10,000 from fundraising, \$10,000 from the reserve and \$10,000 from school generated funds. The garage is scheduled to be built in July 2020.

Meeting adjourned at 8:07.

Next meeting scheduled for February 25, 2020.
