

Criminal/Vulnerable Record Checks

Sylvan Lake Detachment—New Process

We are excited to announce that here in Sylvan Lake, we are a part of a new pilot project that will make your life easier!

You now do not have to attend the Sylvan Lake RCMP detachment in order to obtain your required Criminal Record check or Vulnerable Record check.

You can now complete everything ONLINE!

There are however a few people we recommend still coming into the detachment:

- if you have not lived in Canada for over a year,
- if you are under 21 years old,
- if you have not established any credit.

Other than that, you do not need to try to get to the detachment during our 8-4 business hours! If you remember you need to get your criminal record check/ vulnerable record check entered at anytime outside of those hours, you can!

Then we will mail it out to you – SIMPLE!
