

How it Works:

When you reach 30 minutes of reading, check off one square in the tracker. Each 30-minute time slot allows the reader to level up!

Play with your Dragons! Rock Paper Scissors

To play, you and a friend each choose one card secretly, keeping it hidden so your friend can't see what you chose. Then count to 3 and both of you flip over your cards to see who wins.

Fire beats Leaf
Leaf beats Water
Water beats Fire

If you have the same color you tie.
Evolution of dragon does not impact game play.
